Plaintiff need legal representation for this § 1983 claim, because she is mentally and physically disabled to litigate in her own behalf. It involves complex legal issues that are difficult to understand and litigate effectively for non-lawyers.

Given the difficulty of the case the Plaintiff cannot obtain justice without an attorney, she could not obtain a lawyer on her own, and she would have a reasonable chance of a positive outcome with a lawyer at her side.

I declare under penalties of perjury that my answers to the foregoing questions are true to the best of my knowledge.

I understand that if I am assigned a lawyer and my lawyer learns, either from myself or elsewhere, that I can afford a lawyer, the lawyer may give this information to the Court.

I understand that if my answers on my application to Proceed in forma Pauperis are false, my case can be dismissed.
